

COVID-19 IN KNOWSLEY SINGLE POINT OF CONTACT (SPOC)

If you're a business or organisation based in Knowsley, a Single Point of Contact is available if you have any worries or concerns regarding COVID-19.

The SPOC's role is to support you to:

- Prevent any cases of COVID-19 by advising on control measures for your workplace to become COVID-secure
- Manage a suspected or confirmed case / outbreak of COVID-19 in your workplace

The SPOC can be contacted by:

0151 443 4712

COVID19.SPOC@knowsley.gov.uk

The SPOC follows national guidance, adapted for local use in Knowsley. For full details of this advice please use the QR code.

Prevention is the most effective method of stopping transmission and outbreaks of COVID-19 in your workplace. Having effective infection prevention and control measures in place will ensure your staff and customers stay safe and you are able to continue trading.

Follow our 6 steps to a safer workplace:

- 1** Carry out a COVID-19 Risk Assessment and make your workplace is 'COVID-Secure'
- 2** Develop strong systematic cleaning, handwashing and hygiene procedures
- 3** Help people to work from home if possible
- 4** Maintain 2m social distancing where possible
- 5** Manage the risk of transmission (stagger start / finish times, use screens and barriers, use fixed teams or partnering to reduce the number of contacts)
- 6** Encourage staff to self-isolate if they have symptoms, have tested positive, been in close contact with someone who has tested positive

STAY ALERT ▶ CONTROL THE VIRUS ▶ SAVE LIVES
